welfare, and livestock farming system; socio-economic and policy; and animal products science and technology.

JIIP is published three times a year in April, August and December. In addition, to further disseminate and improve our publishing qualities. In addition, starting from December 2019 issue, there would be updates as follow:

1. The revision of the manuscript by author should be done no more than 2 weeks
2. The published version of the manuscript should be in English
3. The publication of the manuscript would cost IDR750,000.00

The decision is aimed to further broaden the target reader of the research paper. Please keep in mind that we still accept manuscript submission in Bahasa Indonesia, but authors should change the language to English prior to publication. If there are still problems in the manuscript translations, we have partnered with Jurnal Ternak (jurnal.ternak@gmail.com, charges apply) to help translate the manuscript suiting our quality standards. Visit our website in <https://jiip.ub.ac.id> for submission or any other information.

Once again, thank you and looking forward to your upcoming publication. If possible, please kindly share the information to your fellow colleagues.
